Finding a Part-Time or On Campus Job

There are several ways to find a part-time job off or on campus.

**On Campus:**

Once we receive information of an on campus position we will notify students via email. Students should also visit the HR Department website and CUNY’s listing of available on-campus jobs as well as big offices such as the Library, Enrollment Services Center, Student Center to inquire if they’re hiring.

Federal Work Study is another program that offers on campus employment. Visit their webpage to learn more.

**NYC 311 Call Center**

NYC 311 Call Center employs current CUNY undergraduate and graduate students for Call Center Representative (CCR) positions, working 12 or 18 hours a week. International students can apply for the positions. Review the CUNY 311 CCR job description for Brooklyn College students to see more info about qualifications and eligibility.

Applications must be completed online. Each student must register and fill out their profile on the site, and submit the required documents, before being able to sign up for the 311 position.
