

Choosing a Career

Your Career Plan - Will You Have a Job by Graduation?

Not sure which career or major is right for you? You're not alone. Take advantage of the following self service resources and opportunities to get pointed in the right direction

Discover Yourself

- Take our [color q assessment quiz](#) to discover your career passion ([Video on how to fill out the Color Q.](#)) Learn more about what your personality says about you and your career prospects by reading the [descriptions](#) specific to your results.
- Still confused with what you are interested in doing? Try the [Wandering Map](#) and [Possible Lives Map](#) exercises.

Conduct Career and Employer Research

- Use [Vault](#). ([videos on how to use Vault](#)) [CareerOneStop](#). [My Next Move](#) and [ONET](#) and review sites that can help you [explore career and industries](#)
- Join related student organizations on campus related to your major, hobbies, or interests and attend events hosted by other offices and academic departments.
- Conduct LinkedIn Research to view the various career paths of Brooklyn College alumni who graduated in a degree that interests you. Go to this page <https://www.linkedin.com/school/brooklyn-college/people/> and pick company, career field, what they studied etc. to find alumni who match.
- Contact Brooklyn College alumni or other professionals via LinkedIn to ask them for an informational interview. [This resource will give you the do's and don'ts on contacting professionals](#) including sample email templates and questions you can ask.
- [View videos of alumni, employers and students from various career fields.](#)
- [Attend Magner Career Center workshops and events](#) such as career exploration, events focused on specific career fields etc. Register through webcentral under the career workshops tab.
- Career Specific resources
