Mickey Mouse, Lynch School of Education, Human Development and Sociology, '13

Children's Hospital Boston, Inpatient Psychiatric Ward

The Inpatient Psychiatric Unit at Children's Hospital Boston supports youth and families and is responsible for conducting psychiatric assessments and providing coping tools. They work directly with children and adolescents in strategizing the most effective treatments for crisis management. In this unit, Mickey Mouse will be working with patients aged 8-18 suffering from disorders such as depression, anxiety and eating disorders. Her primary focus will be on assisting with expressive therapy groups, supporting a team of clinicians, and providing a safe and comfortable environment for patients. Mickey Mouse plans to get her PhD in Clinical Psychology.
